Sapsis Rigging Training Programs

Goals:

Provide training in current entertainment rigging industry practices and equipment and the proper use, inspection, and maintenance of that equipment.

Length:

Daylong sessions are 7-8 hours including lunch and coffee breaks.

1,2 & 3 day sessions are available.

Curriculum:

Fall Arrest, Fall Protection/ and Rescue are required topics.

All other topics are developed through discussion with the client to determine their needs and expectations.

Format:

Informal. Q & A is encouraged throughout the day.

Setting:

Tables and chairs for attendees.

Small table and a tall stool for presenter.

Equipment:

Video projector with HDMI connection. A small PA for larger rooms.

Projection screen, cyc or scrim, or similar surface.

Blackboard, whiteboard or similar for impromptu drawings.

Refreshments:

Hot coffee or tea in the am. Bottled water throughout the day.

Lunch can be offsite or in-house. Lunch break to be 1 hour.

Attendees:

Maximum number of attendees should be 35-40

Recording:

Audio and/or video recording is not permitted except by pre-arranged agreement.

A copy of all recordings is to be provided to the presenter.
